Statement of Support Volunteer

Anglicare Australia's National Awards for Innovation and Excellence recognise outstanding services, projects and programs provided by agencies of the Anglicare Australia network, as well as individual volunteers who have made a significant contribution. The Awards are sponsored by Telstra.

Please fill in a separate Nomination Form and Statement of Support for each award you are nominating for.

Please also check the Nomination Guide on the Anglicare Australia website (www.anglicare.asn.au) to ensure you address all elements of the nomination process correctly. A Helpful Hints guide can be found on the Anglicare Australia website to help you prepare an effective nomination.

Possible areas/examples for nomination include:

› A nomination for an award for Volunteer Achievement is to recognise exceptional service by an individual who has made a significant contribution or significantly changed and improved the quality of services to the client or the work environment of the agency.

Organisation

Nominated for the following activity
