

Strategic Plan

MISSION STATEMENT

Anglicare Australia seeks to engage with all Australians to build communities of resilience, hope and justice.

VALUES

FAITH BASED

In the spirit of the Gospel, Anglicare Australia through its member agencies, advocacy and research seeks to see the lives of all Australians transformed with hope and justice.

EQUITY AND JUSTICE

Anglicare Australia and our members work for social justice in Australia; to respect the inherent potential in every human being with special concern for those most disadvantaged.

COLLABORATION AND PARTICIPATION

Anglicare Australia and our members recognise that our work will be stronger when we work in partnership and collaboration and we adopt a participatory approach in all we do.

STRENGTHS BASED

Anglicare Australia and our members recognise and seek to build on the strength of individuals, communities and organisations to effect change in Australia.

STRATEGIC GOALS

Building on our wisdom and practice across 43 agencies and 150 years of shared experience we aim

- To influence social and economic policy across Australia with a strong prophetic voice; informed by research and experience; unafraid to speak out for those most disadvantaged.
- To enable the potential and strength of the Anglicare Australia network to serve the needs of all Australians with dignity, respect and care.
- To recognise and celebrate the faith base of our work with the Anglican Church.
