EARLY BIRD REGISTRATIONS EXTENDED to 17 AUGUST 2015

[CONFERENCE REGISTRATION](#) is open and Early Bird registration has been extended to COB Monday 17 August 2015.

Once you have registered, be sure to book your accommodation as Canberra is popular in September, with Floriade and a number of art and museum exhibitions. For your convenience, we have secured a number of rooms in some hotels.

As a fully registered delegate, fees include all conference session, and morning and afternoon teas and lunches. The Anglicare Australia National Awards ceremony dinner is additional to the National Conference fee, as is the National Conference dinner.

PRESENTATIONS and WORKSHOPS

The 36 presentations and workshops have been chosen and we are currently negotiating with presenters on the dates and times. Click on the link below from Monday (3 August) to see what is on offer this year.

NETWORK MEETINGS

[Special Interest Networks](#) have secured a meeting time and place in the program. If you plan to attend any of these meetings, please let the contact person know so they and the conference team can get an idea of likely numbers.

If there are other networks planning to meet at the conference, we would like to hear from you so we can advise of the meeting in coming Communiqués. As well as the network times put aside at the conference, networks can, and do, meet over breakfast or lunch.

Rooms are still available for booking so if you are in a Network and would like to organise a meeting, contact our [Office Manager, Erin Clark](#).

EXPERIENCE CANBERRA AND REGION

The National Conference website now has a page on [What to do in Canberra and region](#). Be sure to check it out before you book as you might like to spend a little longer in this exciting city.
